Now there's a livery program designed specifically for business owners like you.

Not all livery companies are the same, so a "one size fits all" insurance policy may not meet your company's unique requirements. You need coverage designed to fit your specific needs. That's where we can help.

Your independent insurance agent knows that HUB International and Plymouth Rock are specialists in limousine insurance who can deliver the right coverage for you at a competitive price. You'll get exceptional service and special benefits that include:

- \$1.5mm CSL Limits
- Loan/Lease Gap Coverage
- Full Glass Coverage
- Electronic Equipment Coverage
- Hired and Non-Owned Coverage
- Crashbusters® Mobile Claim Service

As your business needs grow and change, we'll also recommend ways to improve your coverage and minimize costs, while offering you the latest features and options available.

Preferred pricing, excellent coverage and exceptional service.

Just one call will direct you to one of our limousine insurance specialists who will answer all of your questions and who can promptly provide you with quotes, coverage updates, assistance with paperwork, claims initiation, IDs, and Certificates of Insurance.
